Personal Statement

I'm a hardworking 17-year-old student. I love tough problems and exciting projects. My interests and hobbies include a variety of STEM subjects like computer science and mathematics, but also contain elements of public-facing roles like police cadets. I have a growing foundation in programming, experience in collaborative tech projects, and a strong drive to learn and develop skills in full-stack software development.

Skills

Programming Languages: Python, JavaScript (JS/JSX), C/C++, C#, Java

Technologies and Tools: Git, MySQL, JetBrains IDEs

Libraries/Frameworks: HTML, CSS, PyGame, Socket.IO

Personal Attributes:

- Teamwork (from Cadet program)
- Project management basics (from school projects)
- Leadership
- Organization

- Self-discipline
- Self-starter
- Persistence

Sports: Ice Skating (7+ years)

Mathematics: Extracurricular geometry and Olympiad participation

Experience

Amazon, Work Experience   *February 2025*
- Explored apprenticeship opportunities at Amazon.
- Designed a solution concept to help customers in selecting compatible computer components on Amazon.

RWS Group, LLM QA Tester   *Dec 2024 – Present*
- Analyzing Ukrainian prompts and LLM responses for faults, inconsistencies, and improvements.
- Participated in AB testing for LLAMA 4 as a part of its reinforcement learning with human feedback (RLHF).

Avanade, Work Experience   *June 2023*
- Conducted research into AI to ascertain ways to prevent bias in model outputs.
- Attended team meetings to observe collaborative project management in a professional setting.

Education

Sandringham School, St. Albans, UK

A-Levels (Predicted)   *September 2024 – Present*
- **Maths:** A*
- **Computer Science:** A*
- **Further Maths:** A
- **Physics:** A
- Participating in the Student Leadership Programme.
- Tutoring younger students.

GCSEs   *September 2017 – June 2024*

- **Maths, Computer Science, Combined Science:** 9, 9, 9-9
- **Business Studies, Design Technology:** 8
- **English Language, English Literature:** 7
- Participated in the Weather Station club.
- Elected as a House Leader in Year 11.
